Miss Hoyle's Newsletter

November 8, 2019

Social Studies - They continued their unit on Economy with Mrs. DiCesare. They began learning about government.

Math - We added three digit numbers using column addition. We used the counting up method to solve subtraction problems. We used the expand-and-trade method for solving subtraction problems. We reviewed bar graphs with number stories.

Word Study - Homework will be due and tests will be on Friday, November 15.

Handwriting - We learned the lowercase cursive s and o.

Writing - We began our poetry mini-unit! We learned the parts of a poem. We came up with ideas for poems. We learned about alliteration in poems and learned about haikus. We learned how to write a Cinquain poem.

Reading - We continued our Mystery Unit! We paused and retoled our stories. We thought about how mystery books go. We learned about red-herring clues and how to look out for them. We asked ourselves what mind work the text was asking us to do. We began a new mystery!
