<b>Writing</b>	<b>We are working on our Fiction Narratives Unit! So far, we have created our characters, designed our setting, and decided on a problem &amp; solution for our stories! We also learned about point-of-view and decided how we want to tell our stories!</b>
<b>Reading</b>	<b>We are working on our Character Studies Unit and reading the book, "Because of Winn-Dixie." We are focusing on character traits, how to identify them in our characters, and stating evidence from the text to back up the traits we choose.</b>
<b>Math</b>	<b>We reviewed measuring with a ruler, and learned how to measure to the closest <math>\frac{1}{4}</math> of an inch and centimeter. We learned how to create line plots. We reviewed polygons and learned how to classify them according to their characteristics. We learned about special quadrilaterals.</b>
<b>Social Studies</b>	<b>We are working through our Economics and Government Unit! We are learning about the US government. We are learning about being a good citizen and how laws are made and enforced in our country.</b>
<b>Handwriting</b>	<b>We learned the lowercase v, u and y.</b>
